## 1. Letter from the Chairman

---

Dear Shareholder,

Magellan Flagship Fund Limited (**MFF** or the **Company**) announced to ASX on 16 March 2015 that the Board had resolved to proceed with a pro rata renounceable entitlement issue of one (1) New Share for every four (4) Shares held at the Record Date at an Offer Price of \$1.60 to raise up to \$143 million<sup>1</sup>.

MFF is undertaking the Offer for the purposes of:

- raising additional investment funds to take advantage of future opportunities in global equity markets (at the appropriate time) and reduce the requirement to realise long-term investments to fund these opportunities;
- strengthening the Company's balance sheet by paying down debt and increasing the cash balance; and
- allowing Shareholders to increase their investment in MFF, lower MFF's management expense ratio and potentially improve the liquidity in the market for the Company's Shares.

The Directors consider that making this Offer by way of a renounceable rights issue to all Shareholders (including Optionholders who exercise their Options prior to the Record Date) enables MFF to raise capital in the fairest possible manner. The Directors consider that it is prudent and in the interests of Shareholders to make this Offer now and not wait for the additional capital which is expected from the exercise of the Options prior to their expiry in October 2017.

Your Directors continue to be pleased with the strong investment performance of MFF and with the quality of MFF's portfolio, details of which are included in recent releases to ASX.

All Eligible Shareholders registered at 7:00pm on the Record Date, being Monday, 13 April 2015, will be entitled to receive one (1) New Share for every four (4) Shares held on that date. New Shares issued under the Offer will rank equally with existing Shares, except that the New Shares will not be entitled to receive the interim dividend for the half year ended 31 December 2014 announced by MFF on 5 February 2015 of \$0.01 unfranked, payable on 15 May 2015.

The Offer closes at 5.00pm on Thursday, 7 May 2015.

The Offer Price of \$1.60 per New Share represents a discount to the closing market price of \$1.86 on 13 March 2015, being the last trading day before the Offer was announced and a discount to the theoretical ex-rights price of \$1.80<sup>2</sup>.

Taylor Collison Limited and Bell Potter Securities Limited are Joint Lead Managers to the Offer. The Offer is not underwritten.

You should read this entire Offer Document carefully. Accompanying this Offer Document is your personalised Entitlement and Acceptance Form which contains details of your Entitlement. As the Offer is renounceable, your Entitlement may have value and it is important that you determine whether to take up, sell, transfer or do nothing in respect of your Entitlement (see Section 5).

Please also refer to the extensive disclosures to ASX by MFF over recent years in relation to the Company's investment portfolio, financial performance and related matters.

---

<sup>1</sup> If all Options are exercised prior to the Record Date, the maximum amount that could be raised under the Offer will be approximately \$185 million. The \$185 million does not include the additional amount of approximately \$109 million that would be received by the Company as a result of the Options being exercised.

<sup>2</sup> This is a theoretical calculation only and the actual price at which shares trade immediately after the ex-date for the Entitlement Offer will depend on many factors and may not equate to the theoretical ex rights price.

To participate you should ensure that you complete your Application by paying the relevant Application Monies by BPAY® before 5.00pm on Thursday, 7 May 2015, in the manner described in this Offer Document. If you are unable to pay by BPAY® (for example if you are a New Zealand based Shareholder without an Australian bank account), you are able to pay by cheque, bank draft or money order (see Section 8 for further details regarding payment).

If you do not wish to take up your Entitlement, you may sell all or part of your Entitlement on ASX from Thursday, 9 April 2015 to Thursday 30 April 2015, or transfer all or part of your Entitlement directly to another person. The assignment, transfer and exercise of Entitlements are restricted to persons meeting certain eligibility criteria, as described in Section 5 of this Offer Document. Shareholders should note the price at which Entitlements will trade on ASX will depend upon the supply of and demand for Entitlements during the trading period and may not equate to the theoretical entitlements price.

If you choose to do nothing with your Entitlement, your Entitlement will lapse and your shareholding in the Company will be diluted as described in Section 5.5 of this Offer Document.

An investment in New Shares carries certain risks. In addition to the general risks applicable to all investments in listed securities, there are specific risks associated with an investment in the Company as set out in Section 10. Investors should be aware that the risks identified in Section 10 are not necessarily exhaustive of all risks relating to an investment in the Company or the Offer.

Shareholders who require further information in relation to the Offer or would like assistance in dealing with their Entitlement should ring the MFF Shareholder Information Line on 1800 074 453.

Your Directors encourage all Shareholders to participate in the Offer. All Directors will be taking up their Entitlements in full.

Yours faithfully,

**Richard Warburton AO LVO**  
Chairman

## 4. Details of the Offer

---

### 4.1 The Offer

The Offer is being made as a renounceable entitlement offer of 1 New Share for every 4 Shares held by Eligible Shareholders registered at the Record Date at an issue price of \$1.60 per New Share. Fractional entitlements will be rounded up to the nearest whole number.

Based on the number of Shares currently on issue at 16 March 2015 (refer further Section 7.1 of this Offer Document), a maximum of approximately 89,561,381 New Shares will be issued pursuant to this Offer to raise up to \$143 million<sup>3</sup>. Taylor Collison Limited and Bell Potter Securities Limited are Joint Lead Managers to the Offer. The Offer is not underwritten.

All New Shares offered under this Offer Document will rank equally with the Shares on issue at the date of this Offer Document except that the New Shares will not be entitled to receive the interim dividend for the half year ended 31 December 2014 announced by MFF on 5 February 2015.

The Directors may at any time decide to withdraw this Offer Document and the offer of Shares made under this Offer Document in which case the Company will return all Application Monies (without interest) as soon as practicable following provision of such notice of withdrawal.

### 4.2 The Offer Price

The Offer Price of \$1.60 per New Share represents:

- a discount of 14.0% to the closing market price of \$1.86 for Shares on 13 March 2015 being the last trading day before the Offer was announced;
- an 11.1% discount to the theoretical ex-rights price based on the closing market price of \$1.86 for Shares on 13 March 2015 being the last trading day before the Offer was announced; and
- a 9.2% discount to the estimated per Share post-tax NTA of \$1.763 as announced to ASX on 10 March 2015.

### 4.3 Purposes of the Offer and intended use of funds

Completion of the Offer will result in an increase in cash in hand by up to \$143 million<sup>2</sup> (before any repayment of the Company's current borrowing or the payment of costs associated with the Offer which are described in Section 12.12).

MFF is undertaking the Offer for the purposes of:

- raising additional investment funds to take advantage of future opportunities in global equity markets (at the appropriate time) and reduce the requirement to realise long-term investments to fund these opportunities;
- strengthening the Company's balance sheet by paying down debt and increasing the cash balance; and
- allowing Shareholders to increase their investment in MFF, lower MFF's management expense ratio and potentially improve the liquidity in the market for the Company's Shares.

---

<sup>3</sup> This figure and the figures in this note are based on the number of Shares on issue as at Friday 6 March 2015, being the last date at which the after-tax NTA per Share was calculated for disclosure to ASX on 10 March 2015. If all Options are exercised prior to the Record Date, the maximum amount that could be raised under the Offer will be approximately \$185 million. The \$185 million does not include the additional amount of approximately \$109 million that would be received by the Company as a result of the Options being exercised.

The above statement is a statement of current intentions as at the date of this Offer Document. Intervening events and new circumstances have the potential to affect the ultimate way funds will be applied. The Board reserves the right to alter the way funds are applied on this basis.

Further details on the effects of the Offer are contained in Section 7 of this Offer Document.

#### **4.4 Risk factors**

An investment in New Shares carries certain risks as set out in Section 10.

These risks include but are not limited to:

- the earnings and stock market performances of the companies which comprise MFF's investment portfolio from time to time;
- the impact of the Company's foreign currency assets and liabilities upon the Australian Dollar value of the assets;
- the reliance by MFF on Chris Mackay as Portfolio Manager; and
- the investment strategy of the Company.

#### **4.5 Rounding of Entitlements**

Where fractions arise in the calculation of an Entitlement, they will be rounded up to the nearest whole number of New Shares.

#### **4.6 Reconciliations**

The Offer is a complex process and in some instances, Eligible Shareholders may believe that they will own more Shares than they ultimately do at the Record Date. This results in reconciliation issues. If reconciliation issues occur, it is possible that MFF may need to issue a small quantity of additional New Shares (**Top Up Shares**) to ensure all Eligible Shareholders receive their full Entitlement. The price at which these Top Up Shares would be issued is the Offer Price.

MFF also reserves the right (in its absolute discretion) to reduce the number of New Shares issued to Eligible Shareholders or persons claiming to be Eligible Shareholders, if MFF believes their claims to be overstated or if they or their nominees fail to provide information to substantiate their claims to MFF's satisfaction.

#### **4.7 Director intentions**

Each Director has shown his support for the Offer by indicating that he intends to subscribe for all of his Entitlement under the Offer.

## **5. Action Required by Eligible Shareholders**

---

The number of New Shares to which you are entitled is shown on the Entitlement and Acceptance Form accompanying this Offer Document. If you are an Eligible Shareholder, you may take any of the following actions. Each of these options may have a materially different outcome on any value you receive in respect of your Entitlement.

- 1) Take up all or part of your Entitlement (see Section 5.1);
- 2) Sell all or part of your Entitlement to persons meeting certain eligibility criteria:
  - a. on ASX (see Section 5.2); or
  - b. by transferring it directly to another person (see Section 5.3);
- 3) Purchase additional Entitlements to New Shares (see Section 5.4); or
- 4) Let all or part of your Entitlement lapse (see Section 5.5).

### **5.1 If you wish to take up all or part of your Entitlement**

If you wish to take up all or part of your Entitlement, please pay your Application Monies via BPAY® by following the instructions set out on your personalised Entitlement and Acceptance Form. Payment is due by no later than 5.00pm on Thursday, 7 May 2015.

If you are unable to pay by BPAY®, please refer to Section 8.2.

If you take up and pay for all or part of your Entitlement before the close of the Offer, it is expected that you will be issued New Shares on Wednesday, 13 May 2015. MFF's decision on the number of New Shares to be issued to you will be final.

Eligible Shareholders are not able to apply for New Shares in excess of their Entitlements set out in their personalised Entitlement and Acceptance Forms.

### **5.2 If you wish to sell all or part of your Entitlement on ASX**

If you wish to sell all or part of your Entitlement on ASX you should contact your broker or other professional advisor. Alternatively, if you require further information on how to sell your Entitlement please ring the MFF Shareholder Information Line on 1800 074 453.

You should allow sufficient time for your instructions to be carried out by your stockbroker. Please note you may incur brokerage if you choose to sell your Entitlement on ASX.

Entitlement trading on ASX starts at 10.00am on Thursday, 9 April 2015 (ASX Code: MFFR) until the close of ASX trading on Thursday 30 April 2015. There is no guarantee that there will be a liquid market in traded Entitlements. A lack of liquidity may impact your ability to sell your Entitlement on ASX and the price you may be able to achieve.

This Offer Document, along with your personalised Entitlement and Acceptance Form, will be despatched on Thursday, 16 April 2015.

MFF will have no responsibility and disclaims all liability (to the maximum extent permitted by law) to you if you trade your Entitlement before you receive your personalised Entitlement and Acceptance Form, whether on the basis of confirmation of the allocation provided by MFF or the MFF share registry or otherwise, or if you otherwise trade or purport to trade Entitlements in error or which you do not hold or to which you are not entitled.

If you wish to sell part of your Entitlement on ASX follow the procedures above in respect of the part of your Entitlement you wish to sell on ASX.

Prices obtainable for Entitlements may rise and fall over the Entitlement trading period and will depend on many factors including the demand for and supply of Entitlements on ASX and the value of MFF's existing Shares relative to the Offer Price (taking into account that the New Shares will not receive the interim dividend of \$0.01 per Share).

If you sell your Entitlement in the Entitlement trading period, you may receive a higher or lower amount than a Shareholder who sells an Entitlement at a different time in the Entitlement trading period. If you sell your Entitlement, you will forgo any exposure to increases or decreases in the value of the New Shares had you taken up that Entitlement. Assuming all other Shareholders take up their Entitlements, your percentage shareholding in MFF will also be diluted.

### **5.3 If you wish to transfer all or part of your Entitlement to another person other than on ASX**

If you wish to transfer all or part of your Entitlement other than on ASX, you must forward a completed Renunciation and Transfer Form to the MFF share registry in relation to the part of your Entitlement that you wish to transfer. If the transferee wishes to take up all or part of the Entitlement transferred to them, they must send their Application Monies together with the Entitlement and Acceptance Form related to the Entitlement transferred to them to the MFF share registry.

You can obtain a Renunciation and Transfer Form through the MFF Shareholder Information Line on 1800 074 453 or from your stockbroker. The Renunciation and Transfer Form as well as the transferee's Application Monies and the Entitlement and Acceptance Form related to the Entitlement transferred to them must be received by the MFF share registry no later than 5.00pm on Thursday, 7 May 2015.

If the MFF share registry receives both a completed Renunciation and Transfer Form and a separate Application for New Shares in respect of the same Entitlement, the transfer will take priority over the Application.

If you transfer your Entitlement, you will forgo any exposure to increases or decreases in the value of the New Shares had you taken up that Entitlement. Assuming all other Shareholders take up their Entitlements, your percentage shareholding in MFF will also be diluted.

You may only transfer your Entitlement in this way to a purchaser whose address is in Australia or New Zealand and who is not in the United States and who is not acting for the account or benefit of a person in the United States. Persons who are in the United States or who are acting for the account or benefit of a person in the United States will not be eligible to purchase, trade, take up or exercise Entitlements. You should inform any transferee of these restrictions.

### **5.4 If you wish to purchase additional Entitlements to New Shares**

Should you wish to purchase additional Entitlements during the Entitlements trading period, please contact your stockbroker or other professional adviser.

Alternatively, if you require further information on how to purchase additional Entitlements please ring the MFF Shareholder Information Line on 1800 074 453.

### **5.5 If you let all or part of your Entitlement lapse**

If you do nothing with respect to all or part of your Entitlement, the relevant portion of your Entitlement will lapse and you will receive no benefit. By allowing your Entitlement to lapse, you will forgo any exposure to increases or decreases in the value of the New Shares had you taken up your Entitlement. Although you will continue to own the same number of Shares, assuming all other Shareholders take up their Entitlements, your percentage shareholding in the Company will be diluted.

## 6. Ineligible Shareholders

---

Shareholders who are not Eligible Shareholders are “Ineligible Shareholders”.

The restrictions upon eligibility to participate in the Offer arise because of the legal and regulatory requirements in countries other than Australia and New Zealand and the potential costs to the Company of complying with these legal and regulatory requirements compared with the relatively small number of Shareholders in those countries, the relatively small number of existing Shares they hold and the relatively low value of New Shares to which they would otherwise be entitled.

MFF has determined, pursuant to ASX Listing Rule 7.7.1(a) and section 9A(3)(a) of the Corporations Act, that it would be unreasonable to make or extend offers of this nature to Shareholders in certain countries.

Accordingly, MFF will undertake the following steps in relation to Ineligible Shareholders:

- MFF will appoint a nominee in respect of Ineligible Shareholders (**Nominee**);
- MFF will issue to the Nominee the Entitlements that Ineligible Shareholders would otherwise have been entitled to apply for had they been able to participate in the Offer;
- If possible, the Nominee will sell those Entitlements on behalf of the Ineligible Shareholders;
- The Company will arrange for the proceeds of the sale (if any) of those Entitlements, net of any withholding tax and transaction costs, to be distributed to the relevant Ineligible Shareholders.

A separate letter will be sent to Ineligible Shareholders providing further details in relation to the above arrangements.

## 7. Effect of the Offer

### 7.1 Effect of the Offer on the Company's capital structure

The effect of the Offer on MFF's capital structure is dependent on several factors including the take up rate of Entitlements as well as the number of Optionholders who elect to convert their Options into Shares prior to the Record Date.

Further detail on the potential effect of the Offer on the Company's capital structure is set out below:

### 7.2 The effect of the Offer on NTA

The effect of the Offer on MFF's NTAs is also dependent on several factors including the take up rate of Entitlements as well as the number of Optionholders who elect to convert their Options into Shares prior to the Record Date.

The figures above reflect the capital structure of the Company described in Section 7.1 of this Offer Document.

### **7.3 No effect of the Offer on control of the Company**

The issue of New Shares under the Offer is not expected to have any effect on the control of the Company.

## 8. Payment for New Shares

Payment should be made using BPAY® if possible. New Zealand Shareholders who do not have an Australian bank account and other Shareholders who are unable to pay by BPAY®, will be able to pay by cheque, bank draft or money order (see below at Section 8.2).

Cash payments will not be accepted. Receipts for payment will not be issued.

MFF will treat you as applying for as many New Shares as your payment will pay for in full up to your Entitlement.

Any Application Monies received for more than your final allocation of New Shares will be refunded as soon as practicable after the close of the Offer. No interest will be paid to Applicants on any Application Monies received or refunded.

### 8.1 Payment by BPAY®

For payment by BPAY®, please follow the instructions on your personalised Entitlement and Acceptance Form. You can only make payment via BPAY® if you are the holder of an account with an Australian financial institution that supports BPAY® transactions. Shareholders considering using BPAY® should consult directly with their financial institution to confirm there are no restrictions on their account which may impact their ability to use BPAY® to participate in the Offer.

If you are paying by BPAY®, please make sure you use the specific Biller Code and your unique Customer Reference Number (**CRN**) on your personalised Entitlement and Acceptance Form.

If you have multiple holdings and consequently receive more than one personalised Entitlement and Acceptance Form, when taking up your Entitlement in respect of one of those holdings only use the CRN specific to that holding. If you do not use the correct CRN specific to that holding your Application will not be recognised as valid.

Please note that by paying by BPAY®:

- you do not need to submit your personalised Entitlement and Acceptance Form but are taken to make the declarations, representations and warranties on that Entitlement and Acceptance Form; and
- if you do not pay for your full Entitlement, you are deemed to have taken up your Entitlement in respect of such whole number of New Shares which is covered in full by your Application Monies.

It is your responsibility to ensure that your BPAY® payment is received by the MFF share registry by no later than 5.00pm on Thursday, 7 May 2015. You should be aware that your financial institution may implement earlier cut-off times with regard to electronic payment and you should therefore take this into consideration when you make payment.

### 8.2 If you are unable to pay by BPAY®

If you are unable to pay by BPAY®, you are able to pay by cheque, bank draft or money order. MFF encourages payments by BPAY® if possible.

For payment by cheque, bank draft or money order, you should complete your personalised Entitlement and Acceptance Form in accordance with the instructions on the form and return it accompanied by the cheque, bank draft or money order in Australian currency for the amount of the Application Monies, payable to 'Magellan Flagship Fund Limited Rights Issue A/C' and crossed 'Not Negotiable'.

Your completed Entitlement and Acceptance Form and cheque, bank draft or money order must reach the Company's share registry at the address set out on the Entitlement and Acceptance Form by no later than 5:00pm on Thursday, 7 May 2015.

Your cheque, bank draft or money order must be:

- for an amount equal to \$1.60 multiplied by the number of New Shares for which you are applying; and
- in Australian currency drawn on an Australian branch of a financial institution.

Payment cannot be made in New Zealand dollars. New Zealand resident Shareholders must arrange for payment to be made in Australian dollars.

If paying by cheque, you should ensure that sufficient funds are held in relevant account(s) to cover the Application Monies as your cheque will be processed on the day of receipt. If the amount of your cheque, bank draft or money order for Application Monies (or the amount for which the cheque, bank draft or money order clears in time for allocation) is insufficient to pay in full for the number of New Shares for which you have applied on your personalised Entitlement and Acceptance Form, you will be taken to have applied for such lower whole number of New Shares as your cleared Application Monies will pay for (and to have specified that number of New Shares on your personalised Entitlement and Acceptance Form). Alternatively, your Application will not be accepted.

### **8.3 Representations made by acceptance**

By completing and returning your personalised Entitlement and Acceptance Form or making a payment by BPAY®, you will be deemed to have represented to MFF that you are an Eligible Shareholder and:

- acknowledge that you have read and understood this Offer Document and your personalised Entitlement and Acceptance Form in their entirety;
- agree to be bound by the terms of the Offer, the provisions of this Offer Document and MFF's constitution;

- represent and warrant (for the benefit of MFF, and their respective related bodies corporate and affiliates) that you are not in the United States and you are not acting for the account or benefit of a person in the United States;
- understand and acknowledge that neither the Entitlements nor the New Shares have been, or will be, registered under the US Securities Act or the securities laws of any state or other jurisdiction in the United States. The Entitlements may not be acquired or exercised by persons in the United States or by persons who are acting for the account or benefit of a person in the United States. Neither the Entitlements nor the New Shares may be offered or sold, directly or indirectly, to persons in the United States or to persons acting for the account or benefit of a person in the United States, except in a transaction exempt from, or not subject to the registration requirements of the US Securities Act and applicable U.S. state securities laws;

#### **8.4 Representations by acquirers of Entitlements**

Investors who acquire Entitlements on ASX or otherwise will, by acquiring those Entitlements, and by applying to take up all or part of those Entitlements, be deemed to agree to make and be subject to the representations, acknowledgements, declarations, warranties, authorities and agreements in Section 8.3 (with references to the personalised Entitlement and Acceptance Form to be read as including any

other form provided, or required to be provided, to MFF, the MFF share registry or the person's stockbroker).

The Entitlements may not be purchased, traded, taken up or exercised by persons in the United States or by persons who are acting for the account or benefit of persons in the United States.

Investors should note that if you purchase Entitlements in a transaction on ASX or otherwise, in order to take up or exercise those Entitlements and subscribe for New Shares you:

- must be an Eligible Shareholder and a resident in Australia or New Zealand; and
- must not be in the United States or acting for the account or benefit of a person in the United States.

If you do not satisfy the above conditions, you will not be entitled to take up Entitlements or subscribe for New Shares.

It is the responsibility of purchasers of Entitlements to inform themselves of the eligibility criteria for taking up Entitlements. If holders of Entitlements after the end of the Entitlements trading period do not meet the eligibility criteria, they will not be able to take up the relevant Entitlements.

## 9. Overview of the Company

---

### 9.1 Overview

The Company was established in late 2006 as a listed investment company, with the portfolio managed by Magellan Asset Management Limited (**MAM**), a subsidiary of Magellan Financial Group Limited. MAM continues as provider of research and other services after Chris Mackay was appointed as Managing Director and Portfolio Manager of MFF in September 2013.

The Company's primary financial goal, as set out in the latest half yearly report, is increasing shareholder value on a per Share basis over the long term. MFF has an investment portfolio of at least 20 stock exchange listed international and Australian companies with a focus on those assessed to have attractive business characteristics. MFF seeks to make investments for the portfolio at a discount to their assessed intrinsic values. The Directors believe that, by investing in such an investment portfolio, superior risk adjusted investment returns may be generated over the medium to long term.

A second objective is to seek to minimise the risk of permanent capital loss for Shareholders. While it is difficult to eliminate investment risk, the Company believes prudent investment parameters have been established.

Extensive details of MFF's investment portfolio, risk parameters and other information have been released to ASX in monthly reports as well as Annual and Half Yearly financial reports.

Investors should note that past performance is not necessarily an indicator of future performance.

## 10. Risk Factors

---

Investors should be aware that taking up your Entitlement and being a Shareholder in the Company involves various risks.

There are general risks associated with owning securities in publicly listed investment companies as well as risks specifically related to the Company. The price of securities can go down as well as up due to factors outside the control of the Company.

### 10.1 Risks related to the Company and its Share price

Some of the key factors which may affect the future earnings of the Company, the market price of its Shares and the price at which the Entitlements may trade include:

- a) movements in domestic and international share markets, interest rates, foreign exchange rates and commodity prices;
- b) changes in general economic conditions and the global security situation, including the possibility of terrorist disturbances;
- c) the future earnings, NTA per Share and market prices of the securities of the Company and of the companies in which the Company invests;
- d) changes in regulatory and governmental policy, including changes to the taxation of companies as a result of changes to Australian and foreign taxation laws;
- e) the liquidity of the market for the Company's Shares and the market for Entitlements;
- f) the success of the investment philosophy and investment objectives of the Company and the investment processes of the Portfolio Manager;
- g) the loss of Directors or the loss of the Managing Director and Portfolio Manager;
- h) the use of leverage which may magnify the gains and losses achieved or incurred by MFF, given the Company has the ability to use borrowings to leverage up to 20% of the value of MFF's investment assets if it determines to do so. The Board may determine to vary this percentage at its discretion;
- i) potential liquidity and refinancing risk, which may arise in the unlikely event that Merrill Lynch International (Australia) Limited demands repayment of borrowings at short notice under the terms of the multi-currency facility established in October 2007;
- j) Magellan Asset Management Limited ceasing to provide research and other services and the need to obtain these services from an alternative provider;
- k) exposure to foreign currency denominated cash and borrowings and also other assets and liabilities denominated in foreign currencies as it invests in listed international and Australian companies; and
- l) operational risks including risks arising from processing error, fraud, system failure and staff skills and performance. Operational risk has the potential to have a material adverse impact on the financial performance as well as the reputation of the Company's current and future businesses and in turn on the Company itself.

### 10.2 Risks related to the Offer

If you are an Eligible Shareholder and you allow your Entitlement to lapse, then you will not realise any value for your Entitlement. You should also note that if you do not take up your Entitlement and all other Shareholders take up their Entitlements, your percentage shareholding in the Company will be diluted.

The above list of risk factors is not meant to be exhaustive. The above risks, and others not specifically referred to above, may in the future materially affect the financial performance of the Company and the value of an Entitlement and any New Share which is issued as the result of the taking up of an Entitlement. Therefore, no assurances or guarantees of future profitability, distributions, payment of dividends, returns of capital or performance of the Company or its securities can be provided by the Company.

If you have doubts as to whether you should take up your Entitlement, you should consult with your stockbroker, accountant, solicitor or other financial adviser.

## **12. Additional Information**

---

### **12.1 Nature of this Offer Document**

This Offer Document relates to an entitlement offer for continuously quoted securities. The information in this Offer Document principally concerns the terms and conditions of the Offer and information necessary to make an informed assessment of:

- the effect of the Offer on MFF; and
- the rights and liabilities attaching to the New Shares.

This Offer Document does not include all of the information that would be included in a prospectus for an initial public offering of securities in an entity not already listed on the ASX. MFF has been listed on ASX since 19 December 2006. During this time MFF has been subject to disclosure requirements under the Corporations Act and the Listing Rules.

MFF has, since listing, provided ASX with a substantial amount of information regarding its activities and that information is publicly available at [www.asx.com.au](http://www.asx.com.au). This Offer Document is intended to be read in conjunction with that publicly available information. Investors considering selling or taking up their Entitlement should therefore also have regard to that publicly available information before making an investment decision.

This Offer Document contains general information only, which has been prepared without taking account of the objectives, financial situation or needs of any particular person. Because of that, before acting on the Offer Document, any prospective investor should consider the appropriateness of the information to their specific circumstances.

### **12.2 Reporting and disclosure obligations**

The Company is a disclosing entity for the purposes of the Corporations Act and, as such, is subject to regular reporting and disclosure obligations. Broadly, these obligations require the Company to:

- a) prepare and lodge with ASIC both yearly and half yearly financial statements accompanied by a directors' statement and report and an audit or review report;
- b) within 14 days after the end of each month, tell ASX the NTA backing of its quoted securities as at the end of that month; and
- c) immediately notify ASX of any information concerning the Company of which it is, or becomes, aware and which a reasonable person would expect to have a material effect on the price or value of securities in the Company, subject to certain limited exceptions.

Copies of documents lodged at ASIC in relation to the Company may be obtained from or inspected at an office of ASIC.

As a company listed on ASX, the Company is subject to the Listing Rules which require (subject to certain exceptions) immediate disclosure to the market of any information concerning the Company of which it becomes aware which a reasonable person would expect to have a material effect on the price or value of its securities. Information that is already in the public domain in relation to the Company has not been reported in this Offer Document other than that which is considered necessary to make this transaction complete. Copies of documents lodged with ASX in relation to the Company may be downloaded from ASX, such as the weekly NTA statements and monthly reports which disclose information in accordance with chapter 3 of the Listing Rules.

### **12.3 Offer not underwritten**

The Offer is not underwritten.

#### **12.4 Offer management**

The Offer is being managed by Taylor Collison Limited and Bell Potter Securities Limited as Joint Lead Managers and Brokers to the Offer under an agreement dated 16 March 2015. MFF has given certain representations, warranties and undertakings in connection with (among other things) the conduct of the Offer. The obligation of the Joint Lead Managers and Brokers are subject to the satisfaction of certain conditions precedent.

The Joint Lead Managers and Brokers are entitled to terminate their engagement, subject to certain conditions, upon the occurrence of a number of customary events, including if MFF suffers an insolvency event, MFF contravenes the Corporations Act, MFF alters its capital structure (other than as a result of exercise of the Options), or MFF changes the whole or a substantial part of its business.

#### **12.5 Rights attaching to Shares**

New Shares issued under the Offer will rank equally with existing Shares, except that the New Shares will not be entitled to receive the interim dividend for the half year ended 31 December 2014 announced by MFF on 5 February 2015.

The rights attaching to Shares are set out in the Company's constitution and are regulated by the Corporations Act, the Listing Rules and general law.

#### **12.6 Issue and dispatch**

Shares issued pursuant to the Offer will be issued in accordance with the ASX Listing Rules and the indicative timetable set out in Section 3 of this Offer Document.

Pending the issue of the Shares or payment of refunds pursuant to this Offer Document, all Application Monies will be held by the Company in trust for the Applicants in a separate bank account as required by the Corporations Act. The Company will be entitled to retain all interest that accrues on the bank account and each Applicant waives the right to claim interest by completing and returning the Entitlement and Acceptance Form.

#### **12.7 No cooling off rights**

Cooling off rights do not apply to an investment in New Shares. You cannot, in most circumstances, withdraw your Application once it has been lodged.

#### **12.8 ASX listing**

MFF has applied to ASX for quotation of the New Shares in accordance with the Listing Rule requirements. Subject to approval being granted, it is expected that normal trading of New Shares issued under the Offer will commence on Thursday, 14 May 2015.

#### **12.9 CHESS**

The Company is a participant in CHESS, for those investors who have, or wish to have, a sponsoring stockbroker. Investors who do not wish to participate through CHESS will be issuer sponsored by the Company. Because the sub-registers are electronic, ownership of securities can be transferred without having to rely upon paper documentation.

Electronic registers mean that the Company will not be issuing certificates to investors. Instead, investors will be provided with a statement (similar to a bank account statement) that sets out the number of New Shares allotted to them under this Offer Document. The notice will also advise holders of their Holder Identification Number or Securityholder Reference Number and explain, for future reference, the sale and purchase procedures under CHESS and issuer sponsorship.

Further monthly statements will be provided to holders if there have been any changes in their security holding in the Company during the preceding month.

### **12.10 Taxation implications**

The Directors do not consider it appropriate to give Shareholders advice regarding the taxation consequences of subscribing for New Shares under this Offer Document. The Company, its advisers and its officers do not accept any responsibility or liability for any such taxation consequences to Shareholders.

Shareholders should consult their professional tax adviser in connection with subscribing for New Shares under this Offer Document.

### **12.11 Nominees and custodians**

Nominees with a registered address in Australia or New Zealand may be able to participate in the Offer in respect of some or all of the beneficiaries on whose behalf they hold Shares, provided that the beneficiary would satisfy the criteria for an Eligible Shareholder.

Nominees and custodians which hold Shares as nominees and custodians will have received, or will shortly receive, a letter from MFF. Nominees and custodians should carefully consider the contents of that letter and note in particular that the Offer is not available to beneficiaries on whose behalf they hold Shares who do not satisfy the criteria of an Eligible Shareholder.

MFF is not required to determine whether or not any registered holder of Shares is acting as a nominee or the identity or residence of any beneficial owner of Shares. Where any registered holder of Shares is acting as a nominee for a foreign person that holder, in dealing with its beneficiary, will need to assess whether indirect participation by the beneficiary is compatible with applicable foreign laws. MFF is not able to advise on any foreign laws.

### **12.12 Expenses of the Offer**

Assuming that the Offer raises \$143 million, the expenses of the Offer including ASIC and ASX fees, share registry costs, printing costs and professional costs are estimated to be approximately \$781,000.

### **12.13 Withdrawal of the Offer**

The Company reserves the right to withdraw the Offer at any time before the issue of New Shares in which case the Company will refund any Application Monies received by it in accordance with the Corporations Act and will do so without interest being paid to Applicants.

### **12.14 Enquiries concerning Offer Document**

Enquiries relating to this Offer Document should be directed to the MFF Shareholder Information Line on 1800 074 453.

### **12.15 Governing Law**

This Offer Document is governed by the laws of New South Wales.
